RiSE Lifestyle Premium Capsules (M) has been formulated with premium ingredients to live a daily energetic premium lifestyle. This capsule provides you a boost to RiSE more and live a fulfilling premium life every day.

RiSE Lifestyle Premium Capsule (M) each capsule is made with 10 plus more scientifically researched premium ingredients like

- **Garcinia Cambogia Extract** contains high amounts of hydroxycitric acid (HCA) that helps to lose weight and belly fat. In addition also it also play key role in increasing your energy and endurance level.
- **Vitamin C** strengthens your body's natural defenses. It encourages the production of white blood cells that protects you from harmful molecules such as free radicals by boosting your immune system.
- **Vitamin B3** is required to every part of body to function properly especially to your bones. It helps in strengthening the bone function.
- **Selenium** is an amazing nutrient that lowers oxidative stress in your body, which reduces inflammation and enhances immunity.
- **Vitamin B6** helps to create neurotransmitters which play a pivotal role in promoting your brain health. It prevents from declining brain function by decreasing homocysteine levels and also helps to regulate the energy use in the brain.
- **Vitamin D** helps in absorption of calcium and phosphorous into the body that helps in facilitating normal immune system and strengthens the bones and teeth.
- **Green Tea Extract** is a great source of antioxidants which helps in reducing the stress by fighting cell damage caused by free radicals.

And many more ingredients which is suitable for every man who wants to accomplish the ultimate premium lifestyle.

Live More, RiSE More with The RiSE Experience!
